Big In Japan

Alphaville

Winter's city side, crystal bits of snowflakes

All around my head and in the wind

I had no illusions that I'd ever find a glimpse of

Summer's heatwave in your eyes You did what you did to me, now, it's history I see

Here's my comeback on the road again

Things will happen while they can

I will wait here for my man tonight

It's easy when you're big in JapanWhen you're big in Japan, tonight, big in Japan, be tight

Big in Japan, ooh, the eastern sea's so blue

Big in Japan, alright, pay then I'll sleep by your side

Things are easy when you're big in Japan

Oh, when you're big in JapanNeon on my naked skin passing

Silhouettes of strange illuminated mannequins

Shall I stay here at the zoo? Or should I go

And change my point of view for other ugly scenes? You did what you did to me, now it's history I see

Things will happen while they can

I will wait here for my man tonight

It's easy when you're big in JapanOh, when you're big in Japan, tonight, big in Japan, be tight

Big in Japan, ooh, the eastern sea's so blue

Big in Japan, alright, pay then I'll sleep by your side

Things are easy when you're big in JapanOh, when you're big in Japan, tonight, big in Japan, be tight

Big in Japan, ooh, the eastern sea's so blue

Big in Japan, alright, pay then I'll sleep by your side

Things are easy when you're big in Japan

Oh, when you're big in JapanOh, when you're big in Japan, tonight, big in Japan, be tight

Big in Japan, ooh, the eastern sea's so blue

Big in Japan, alright, pay then I'll sleep by your side

Things are easy when you're big in JapanOh, when you're big in Japan, tonight, big in Japan, be tight

Big in Japan, ooh, the eastern sea's so blue

Big in Japan, alright, pay then I'll sleep by your side

Things are easy when you're big in Japan

Oh, when you're big in Japan
