# Long Gone Day

## Mad Season

So much blood I'm starting to drown
Runs from cold to colder
Time to time the sky's come down
To help me lose my wayTears and lies for answers
You and open veins, God knows I'm gone
Girl I just want you to come on downLord it's a storm and I'm heading to fall
These sins are mine and I've done wrong
Oh babe, come on down[Incomprehensible]
Long gone day
Who ever said
We wash away with the rainSee you all from time to time
Isn't it so strange
How far away we all are now
Am I the only one who remembers that summerOh, I remember
Everyday each time the place was saved
The music that we made
The wind has carried all of that awayLong gone day
Who ever said
We wash away with the rainSo many tears I'm starting to drown
The rain in heaven's all come down
Silver spoons affix the crown
The luckless ones are brokenFears and lies for answers
You and open flames, God knows I'm gone
And I just want you to come on downLord it's a storm and I'm heading to fall
These sins are mine and I've done wrong
I want you to, oh, I just want you to
Come on downI fear again like then, I've lost my way
And shout to God to bring my sunny day
