Playa (Say That) - Dennis Lloyd

-1.-

Baby last night
Baby last night
I'm sucking to myself
fucking left to the right

Baby hold on tight
You're on the fucking fly
I made up my mind
I don't want you by my side

-Refrain-

'cause you call me, you hold me
what you sayn to me
what you fucking sayn to me

you push me then pull me
what you sayn bitch
how could you fucking sayn that

i'm wrong wrong (ohhhh)

how could you say that
how could you fucking say that

i'm wrong wrong (ohhhh)

how could you say that
how could you fucking say that

(ohhhhhhhhhh)

-2.-

Baby come down
come the fuck down

Baby let me breath
'cause I'm about to fucking drown

Baby let me go
Baby let go
when sleeping allround and
fucking thinking out now

-Refrain-

how could you say that
how could you fucking say that

(ohhhhhhhh)

how could you say that
how could you fucking say that

(ohhhhhhhh)

-3.-

Baby hold on
Baby hold on
say my motherfucking name
while we fucking all night long

Let me see you turn
and playin my wicked game
i'm taking staff for you
but not the motherfucking blame

-Refrain-

i'm wrong wrong (ohhhh)

how could you say that
how could you fucking say that

i'm wrong wrong (ohhhh)

how could you say that
how could you fucking say that

(ohhhhhhhh)
