

Love Is Easy

McFly

Do do dodo do do
Do do do dodo do
Do do dodo do do Today
I'm laughing the clouds away
I hear what the flowers say
And drink every drop of rain
And I see
Places that I have been
In ways that I've never seen
My side of the grass is green
Ooh I can't believe that it's so simple
It feels so natural to me If this is love
Then love is easy
It's the easiest thing to do
If this is love
Then love completes me
'Cause it feels like I've been missing you
A simple equation
With no complications
To leave you confused
If this is love, love, love
Hmm it's the easiest thing to do Do do do do do do do
Do do do do do do do
Do do do do do do do you
Feel the way that I do?
Do I turn your grey skies blue?
And make dirty streets look new?
Hmm and the birds sing
Tweeheeheeheeheeheet
Tweedleheeheeheehee,
Now I know exactly what they mean
Ooh I can't believe that it's so simple
It feels so natural to me If this is love
Then love is easy
It's the easiest thing to do
If this is love
Then love completes me
'Cause it feels like I've been missing you
A simple equation

With no complications
To leave you confused
If this is love, love, love
Hmm it's the easiest thing to doDo do do do do do do
Do do do do do do do
Do do do do do do do
Do do do do do do do
Do do do do do do do
Do do do do do do do(What is it you want, Mary?
What do you want?
You want the moon?
Just say the word and I'll throw a lasso around it and pull it down.
Hey, that's a pretty good idea I'll give you the moon, Mary.)Ooh no
If this is love
Then love is easy
It's the easiest thing to do
If this is love
Then love completes me
'Cause it feels like I've been missing you
A simple equation
With no complications
To leave you confused, no
If this is love, love, love
It's the easiest thing to doDo do do do do do do, (Hey!)
Do do do do do do do
Do do do do do do do, (oooh this is love love love love love love)
Do do do do do do do, (oooh this is love love love love love love)
Do do do do do do do
Do do do do do do do
