

# Ladies

## Hudba z Marsu

Ladies of leisure  
Oh, with their eyes on the back roads  
    All looking for strangers  
To whom they extend welcomes  
    With a smile and a glimpse  
    Of pink knees and elbows  
    Of satin and velvet  
Good ladies, good fortune  
    Ladies  
    (Ladies)  
    Ladies  
    (Ladies)  
They sing of their heroes  
    Of solitary soldiers  
    Invested in good health  
And manner most charming  
Whose favors are numbered  
None the less, well intended  
    By hours in a minute  
By those ladies who bless them  
    Ladies  
    (Ladies)
