

The Good Life

Three Days Grace

The good life is what I need
Too many people stepping over me
The only thing that's been on my mind
Is the one thing I need before I die All I want is a little of the good life
All I need is to have a good time
Oh, the good life All I want is a little of the good life
All I need is to have a good time
Oh, the good life
The good life I don't really know who I am
It's time for me to take a stand
I need a change and I need it fast
I know that any day could be the last All I want is a little of the good life
All I need is to have a good time
Oh, the good life All I want is a little of the good life
All I need is to have a good time
The good life Hold on, hold on, I always wanted it this way
(I never wanted it this way)
Hold on, hold on, I always wanted it this way
(We didn't ask for it this way)
I always wanted it this way
The good life All I want is a little of the good life
All I need is to have a good time
Oh, the good life All I want is a little of the good life
All I need is to have a good time
The good life
