

Under The Sun

Chris Janson

There's always some new gadget
We think we gotta have it
And I get it just like everyone does
But soon as we get it, we no longer want it
'Cause it's already somethin' that was
Sometimes it's just nice to know
We can pack up our lives and go where there's Nothin' new under the sun
Time's just the time
Got no one to be
Got nowhere to run
A chair's still a chair
The shade's still the shade
The life's still the life
We still got it made
A beer's still a beer
Rum is still rum
And there's nothin' new under the sun It's crazy the attraction
In findin' satisfaction
In chillin' by a cooler all day
Any thoughts of runnin'
Drownin' in the hummin' of
Sittin' on the dock of the bay
The latest scores
The race the chores
The Bulls and Bears
It's funny how we don't care Oh there is nothin' new under the sun
Time's just the time
Got no one to be
Got nowhere to run
A chair's still a chair
The shade's still the shade
The life's still the life
We still got it made
A beer's still a beer
Rum is still rum
And there's nothin' new under the sun
