Laura Lee

Savoy Brown

Laura lee, Laura Lee what makes you so fine
Laura Lee, Laura Lee What makes you so fine
When I see you girl my whole world starts to shine
Laura Lee, Laura Lee how come you're so brave
Laura Lee, Laura Lee how come you're so brave
Gimme one more night baby before they send me in my grave
(solo)
Well I see you girl and I'm playing a waiting game
Well I see you girl and I'm playing a wating game
Well I had a big deal but I can love you just the same
(slide solo)
Laura Lee, Laura Lee what makes you so fine
Laura Lee, Laura lee what makes you so fine
When I see you girl my whole world starts to shine
ah yeah! (fade)
