

# Laura Lee

## Savoy Brown

Laura lee, Laura Lee what makes you so fine  
Laura Lee, Laura Lee What makes you so fine  
When I see you girl my whole world starts to shine  
Laura Lee, Laura Lee how come you're so brave  
Laura Lee, Laura Lee how come you're so brave  
Gimme one more night baby before they send me in my grave

(solo)

Well I see you girl and I'm playing a waiting game  
Well I see you girl and I'm playing a wating game  
Well I had a big deal but I can love you just the same

(slide solo)

Laura Lee, Laura Lee what makes you so fine  
Laura Lee, Laura lee what makes you so fine  
When I see you girl my whole world starts to shine  
ah yeah! (fade)
