

Red Letter Day

NewSong

Artist: Newsong

Album: Sheltering Tree

Title: Red Letter Day Every day before the rush gets started

I get down on my knees

And I pray, Lord, I need You here to guide me

Please speak to me

And something happens that I can't explain

His Word starts talking to me and

I'm out to face this world again CHORUS:

I do believe it's gonna be another red letter day

I do believe it's gonna be another chance for me

To take His Word and walk by faith

I got a smile with every step I take

Knowing He is here with me

It's gonna be a red letter day I had a friend call me up and tell me

How he struggles through each day

I told him that I didn't have all of the answers

This world's a crazy place

I 've learned to hide God's Word in my heart

So I can have it with me when the pressure of the day starts CHORUS
So many hidden treasures in God's Word
for us to find

The mysteries and secrets that are there to bring us life CHORUS
