

# Burn It To the Ground

## Nickelback

Well it's Midnight, damn right  
We're wound up too tight  
I gotta fist full of whiskey  
The bottle just bit me  
Ooooo

That shit makes me bad shit crazy  
We got no fear no doubt all in balls out

Were going out tonight (hey)  
To kick out every light (hey)  
Take anything we want (hey)  
Take everything in sight (hey)  
Were goin til the world stops turning  
While we burn it to the ground tonight (oohh) (oohh) (oohh)

We're screamin like demons  
and swinging from the ceiling  
I gotta fistful of Fifties  
Tequila just hit me

Oooooohhh

We got no class, no taste  
No shirt and shit faced  
We got them lined up  
Shot down firing back straight Crown

Were going out tonight (hey)  
To kick out every light (hey)  
Take anything we want (hey)  
Take everything in sight (hey)  
Were goin til the world stops turning  
While we burn it to the ground tonight (ohh) (oohh) (ooh)

Tickin like a time bomb  
Drinkin damn the night's gone  
Get your hands off of this glass  
Last call my ass  
No chain no lock and this train won't stop

We got no fear no doubt all in balls out

Were going out tonight (hey)  
To kick out every light (hey)  
Take anything we want (hey)  
Take everything in sight (hey)  
Were goin til the world stops turning  
While we burn it to the ground tonight (oohh) (oohh) (oohh)

Were going out tonight (hey)  
To kick out every light (hey)  
Take anything we want (hey)  
Take everything in sight (hey)  
Were goin til the world stops turning  
While we burn it to the ground tonight
