

# Never Stop

## Urban Rescue

Here in the valley of my soul  
When I am lost and all alone  
Through the shadows I can see  
Your love is chasing after me

You cross the canyons of my fears  
Over the oceans of my tears  
Like the wind that moves the trees  
Your love is chasing after me

No mountain higher  
No river wider  
My heart may wander  
Your love will never stop chasing after me

Your love will never stop  
Never stop, never stop  
Your love will never stop chasing after me  
Your love will never stop  
Never stop, never stop  
Your love will never stop chasing after me

You are the sun upon my skin  
You are the moon that pulls me  
Closer than the air I breathe  
Your love is chasing after me

I see my chains unraveling  
All of my shame for victory  
I feel my heart run wild and free  
There is no place I'd rather be
