

Hot to Death

Everlast

We're gonna be breakin' it down
(Yeah)
You gotta know the feel
You gotta know the life
You know what I'm sayin'
(Hey)I said, What's goin' wrong?
You know it just ain't right
Tell me who be loud
When the spark igniteNow from the break daylight
To the fall of the sun
You gotta pick your fight
It's time to choose your gunFront to back
Right to left
Keep it live all night
Make it hot to deathGet your heart pumpin'
Like some crystal meth
Keep it live all night
Make it hot to deathWell, heyTell me who's your God?
Does he make a lotta dough
I'm gonna take you higher
Or to the fire belowFront to back
Right to left
Keep it live all night
Make it hot to deathGet your heart pumpin'
Like some crystal meth
Keep it live all night
Make it hot to deathGuns to roses
Abraham to Moses
Daylight exposes
What the night concealsLet's break these seals
And get this thing started
Some be out classed
Some be out smartedSome be over bound by the blindin' rays
I hear the whisper in the night
Get trapped in the maze
See back in the daysWhen I was juvenile
I dreamed of rockin' on the mic
In a brand new style
Now I'm shakin' these bonesTryin' to get these shoes

Outbided major crews
I'm paid crazy dues
Now I'm speakin' on youThey just slept on me
And rumors start spreadin'
Just like a disease
I'll have you down on your kneesBelow the spot ground zero
Turn brown and burn down
Rome just like Nero
A hero ain't nothing but aDon't make me say it again
Legend, don't make me say itFront to back
Right to left
Keep it live all night
Make it hot to deathGet your heart pumpin'
Like some crystal meth
Keep it live all night
Make it hot to deathThat's what I'm sayin'
That's what I'm sayin'
