

# It's Getting Better

## Mama Cass

Once I believed that when love came to me  
It would come with rockets, bells and babyBut with me and you, it just started quietly and grew  
And believe it or not  
there's something good 'bout whatever we gotAnd it's getting better  
Growing stronger, warm and wild  
Getting better everyday, better everydayI don't feel all turned on and starry eyed  
I just feel a sweet contentment deep insideHolding you at night just seems kind of natural and right  
And it's not hard to see  
That it isn't half of what it's going to turn out to be'Cause it's getting better  
Growing stronger, warm and wild  
Getting better everyday, better everydayAnd I don't mind waitin', I don't mind waitin'  
'Cause no matter how long it takes  
The two of us knowThat it's getting better  
Growing stronger, warm and wild  
Getting better everyday, better everydayGetting better everyday, it's getting better everyday  
Getting better everyday, it's getting better everyday  
Getting better everyday, it's getting better everyday
