Stressin' Out

Adema

The weight of the world has been put on my shoulders
I looked in the mirror and know that I'm older
I try to escape but the rain makes it colder
Why do I let all our problems take over?
There's nothing I can do
There's nothing I can say
We need to try to find a right way
Stress me out, stress me out
God has turned his back on me
Stress me out, stress me out
There's nothing there for us to say
Stress me out, stress me out
God has turned his back
Stress me out, stress me out
There's nothing there to bleed
To blame
I try to explain what it's doing to me
Arguing over the simplest things
You try to make life how you want it to be
Upset everyday isn't something we need
There's nothing I can do
There's nothing I can say
We need to try to find a right way
Stress me out, stress me out
God has turned his back on me
Stress me out, stress me out
There's nothing there for us to say
Stress me out, stress me out
God has turned his back
Stress me out, stress me out
There's nothing there to bleed
You're letting me down again
You're letting me down again
You're letting me down again
Letting me down again
There's nothing I can do
There's nothing I can say
We need to try to find a right way
Stressin' Out, Stressin' Out

God has turned his back on me
Stressin' Out, Stressin' Out
There's nothing there for us to say
Stressin' Out, Stressin' Out
God has turned his back
Stressin' Out, Stressin' Out
I cannot change the fact
Stressin' Out, Stressin' Out
God has turned his back
Stressin' Out, Stressin' Out
I cannot change the fact
Stressin' Out, Stressin' Out
God has turned his back
Stressin' Out, Stressin' Out
God has turned his back
