

Queen Of California

[**John Mayer**](#)

Goodbye cold
Goodbye rain
Goodbye sorrow
And goodbye shame

I'm headin' out west with my headphones on
Boarding a flight with a song in the back of my soul
That no one knows

I just found out her ghost left town
The Queen of California is a-steppin' down, down

Hello beauty
Hello strange
Hello wonder
What's your name

Looking for the sun that Neil Young hung
After the gold rush of 1971
I just found out her ghost left town
The Queen of California is a-steppin' down, down
If you see her
Say hello
Just don't tell me
I told you so

Joni wrote 'Blue' in a house by the sea
I gotta believe there's another color waiting on me
To set me free
I just found out her ghost left town
The Queen of California is a-steppin' down, down, down
Get down
