

Deliverance

Deliverance

Well, look around, tell me what you see.

People running nowhere, thinking they're free. The path they're on leads to destruction, but do you see?

They think they're having fun, but it's all a fantasy. But we've been sent from the Master.

We've been sent with a message of hope.

We've been given the keys to the Kingdom, to unlock the chains and bonds...chains and the bonds. Now look at
yourself, tell me, what is there?

The enemy has your life, but do you really care?
