Lady Barbuda

Dover

Use your head
That's what it's for
All i want is some moreShave your legs
I don't want to be one...
One of those!Yeah!, and it takes so long
Yeah!, and my back is starting to hurt
I don't know how i feel anymore
Was that you who used to say
Never do it with a boyCruelty and sincerity are just the same
I had in mind telling you
I lost the faith
