

Always On My Mind

Tiki Taane

Yeah

Your always on my mind girl
Don't you know that you always

I remember when I first met you
I knew just what to do
I had to get to know
To get to know your right
To know to practice all my lines

Your always on my mind
I've been waiting so long
For you I wrote this song
Girl you don't what you've got
Until your world has gone
This is why our love is strong

Girl you've got me singing with some melody
Your always on my mind
This is what you do to me
Girl you've got me singing with some harmony
Forever your my queen and baby girl I'm your king
Yeah

I am not afraid
Afraid to say the words
Even if I'd rather heard
Because of what you mean
And what you mean to me
You have given everthing

You have changed my life
More than you'll ever know
This is why I have to show girl
That you were everything
And everything to me
Baby girl I'll hope you see

Girl you've got me singing with some melody
Your always on my mind

This is what you do to me
Girl you've got me singing with some harmony
Forever your my queen and baby girl I'm your king
Yeah

Your always on my mind girl
Well don't you know that that your always
Your always on my mind girl

Yeah
Yo

Your always on my mind girl
Well don't you know that that your always
Your always on my mind girl

Yeah
