I Bleed

Cryptal Darkness

[Music and Lyrics: Mark Kelson]I bleed like no man
I drown in my pain
tear it out take it away
my heart I no longer needI scream like no man
I cry in vain
tear it out take it away
my soul I no longer needAll because of you. . .I'm a fool for you
blinded by your touch
take my eyes take them away
lost in you. . . foreverI die like no man
all because of you
I bleed. . .
