Drake

[Intro]

Yeah, yeah, yeah, yeah, yeah

Yeah[Pre-Chorus]

Champagne with purpose while I'm yawning

You can't drink all day if you don't start in the morning

Lord forgive me, I can't take things slowly, no

I'm goin' on them once I get going[Chorus]

Just tryna take it all off for me

Tryna stay real close to me

I gotta catch myself

I can't play myself

I need to take it easy

Easy, easy, easy

Easy, easy, easy, easy[Verse 1]

Like Lisa

You need a... money and visa

And you get what you want always from me

I can't say no when you say, "Please"

I can't say no

How you shine, you need a

Baby with me, uh

And I'm takin' my time, just wait on me

I can't say no when you say, "Please"

I can't say no

You wanna drink like Bajin and dance like Trini

Yeah, you want a supermodel pose like mi real friend Winnie

Yeah, vacation's done but I'm not finished, no[Pre-Chorus]

Champagne with purpose while I'm yawning

You can't drink all day if you don't start in the morning

Lord forgive me, I can't take things slowly, no

I'm goin' on them once I get going[Chorus]

Just tryna take it all off for me

Tryna stay real close to me

I gotta catch myself

I can't play myself

I need to take it easy

Easy, easy, easy

Easy, easy, easy, easy[Verse 2]

I stay to myself

I'll explain myself
I can't play myself
Oh, first night, holy night
Five in the morning, yeah, yeah
And it feels like you're mine
Signs of the times
Oh, what a time
Playin' it right, playin' it perfect
Laughin' it off but I know you're hurtin'
Signs of the times
I say all the time
Taking my time just gets harder to find it
But you're playin' it right, you're playin' me perfect[Chorus]
Just tryna take it all off for me
Tryna stay real close to me
I gotta catch myself
I can't play myself
I need to take it easy
Easy, easy, easy
Easy, easy, easy, easy
