

Corner Office Bedroom

[PlayRadioPlay!](#)

Tendency
Population
Dependency
Truth from visionIn the highest of rooms
In the tallest of buildings
I sat uncomfortably
On an uncomfortable seatAnd the corner office is not my home
Because the city and the people all
Make me feel aloneAnd the corner office is not my home
And the corner office is not my homeYeah, the corner office is not my home
Yeah, the corner office is not my homeYeah, the corner office is not my home
Yeah, the corner office is not my homeIn the highest of rooms
In the tallest of buildings
I sat uncomfortably
On an uncomfortable seatAnd the corner office is not my home
Because the city and the people all
Make me feel aloneYeah, the corner office is not my home
Because the city and the people all
Make me feel aloneYeah, the corner office is not my home
Yeah, the corner office is not my homeYeah, the corner office is not my home
Yeah, the corner office is not my home
