

Yellow River

[Tony Christie](#)

So long boy you can take my place, got my papers I got my pay, so pack my bags and I'll be on my way to
yellow river Put my gun down the war is won

Fill my glass high the time has come

I'm going back to the place that I love, yellow river Yellow river yellow river is in my mind and in my eyes

Yellow river yellow river is in my blood it's the place I love

Got no time for explanations got no time to lose

Tomorrow night you'll find me

Sleeping underneath the moon at yellow river Cannon fire lingers in my mind I'm so glad I am still alive

And I've been gone for such a long time from yellow river I remember the nights were cool I can still see the
waterpool

And I remember the girl that I knew from yellow river Yellow river yellow river is in my mind and in my eyes

Yellow river yellow river is in my blood it's the place I love
