

# John Wayne

## Hollis Brown

We've lost our leading man  
Thousands dead in the hills of Pakistan  
Contrary to what you've been told  
It's oil bought and soldJohn Wayne you're forever gone  
Good old Duke  
I've been waiting all my life to see you againConfused friendly fire  
Politicians to be put on trial  
They make their promises  
And then they torture kidsJohn Wayne you're forever gone  
Good old Duke  
I've been waiting for all my life to see you againJohn Wayne you're forever dead  
John Wayne I wanna see you again  
I wanna see you again  
I wanna see you again  
John Wayne, John WayneJohn Wayne you're forever gone  
Good old Duke  
I've been waiting all my life to see you againJohn Wayne you're forever gone  
Good old Duke  
I've been waiting all my life to see you againMoney and empire  
America and the absent sire  
fatigues and Belleville boots  
And some they kill in suits
