

If Your Love Is Real

David Gray

Three days spent staring at your photograph

Read your letter, made me laugh

But there's a shadow on the path

'Till I know

If your love is realCause its not as if a lot was said

Falling in and falling out of bed

And now the world's turned on its head

'Till I know

If your love is realSpent a long time persuading myself

That I don't no one, nobody else

That who I was, I could concealI'm in a daydream now

I'm out to lunch

Should it come down to the crunch

I'm wide open for that sucker punch'Till I know

If your love is real

'Till I know

If your love is realSpent a long time persuading myself

That I don't no one, nobody else

That I felt all there was to feelKnow if I should live a hundred years

I'd never see another face like hers

On stranger sea and brighter shore

Cause I know

That my love is realYeah yeah

Woah
