

# Eyes of the Camera

## Backstage Cast

Ah ah ah ah ah ah  
Ah ah ah ah ah ah  
    Ha ha  
Ah ah ah ah ah ah  
Ha ha ha ha ha ha ha  
    Ah ah ah ah ah ah  
First the dark becomes the light  
Then you walk till your paralysed  
    But inbetween there's a scene  
    When the light's just a beam  
And your the eyes of the camera  
    And a dream you can't shake  
But you plead let me never wake  
    Then you climb up the wall  
    Till the fear makes you fall  
And you feel like you can't get up  
    Ah ah ah ah ah ah  
    No stranger to the flashes  
    The fire's still burning bright  
    What makes you glamorous  
    Ah ah ah ah ah ah  
So bright that the rest can't see us  
    So glamorous  
    Ah ah ah ah ah ah  
    Oh yeah  
    Glamorous  
    Ah ah ah ah ah ah  
So bright that the rest can't see us  
    So glamorous  
    Ah ah ah ah ah ah  
    Oh yeah  
    Ha ha ha ha ha ha ha  
    How late can we stay up  
    Save our lives with a coffee cup  
But I want when the morning comes  
    Ha ha ha ha ha ha ha  
And when I hear the same tune humming now  
    Ha ha ha ha ha ha ha (ah ah ah ah ah ah)  
    No stranger to the flashes

Ha ha ha ha ha ha (ah ah ah ah ah ah)

The fire's still burning bright

What makes you glamorous

Ah ah ah ah ah

So bright that the rest can't see us

So glamorous

Ah ah ah ah ah ah

Oh yeah

Glamorous

Ah ah ah ah ah ah

So bright that the rest can't see us

So glamorous

Ah ah ah ah ah ah

Oh yeah

Ha ha ha ha ha ha ha

What makes you glamorous

Ah ah ah ah ah ah

So bright that the rest can't see us

So glamorous

Ah ah ah ah ah ah

Oh yeah

Glamorous

Ah ah ah ah ah ah

So bright that the rest can't see us

So glamorous

Ah ah ah ah ah ah

Ha ha ha ha ha
