

Rock and Roll Evacuation

Electric Six

This is an evil generation
I see with my eyes
I seen em walking around in their suits
And honey, I seen the ties Evil girls biting good girls
Turning good girls into evil girls
Evil boys eating evil hamburgers
Evil boys eating evil fries This is an evil generation
Rock and roll evacuation
As far as the eye can see
Hey, hey, hey, hey
Tune into this radio station
Rock and roll evacuation
In a fit of emergency We are just hungry little creatures
Feeding upon lies
I seen em lining us up on the wall
And trading us for pies Seen a man on the television
Telling me to listen to the radio
Hear the man on the radio
Telling me no, no, no, no, no, no, no, no This is a bad, bad situation
Rock and roll evacuation
Its not looking too good to me
Hey, hey, hey, hey
Evil spreads across the nation
Rock and roll evacuation
Apocalyptic insurgency You kill the body child
But the head is still gonna live
You can give all your money now
'Til theres nothing left to give You can play your electric guitar
But it aint gonna change the world
You can get all emotional on me
Cry like a little girl, cry We are disposable creations
Theyre throwing us away
Ignoring everything that we do
And everything that we say Mr. President make a little money
Sending people you dont know to Iraq
Mr. President I dont like you
You dont know how to rock This is an evil generation
Rock and roll evacuation
As far as the eye can see

Hey, hey, hey, hey
Tune into this radio station
Rock and roll evacuation
In a fit of emergency
