Puppy Love

Barbara Lewis

Puppy, puppy, puppy
Puppy love, puppy love
Puppy love, puppy love
Puppy lovePuppy love (puppy love)
I thought that I had
Fallen in love with you
But it was only puppy love
(Only puppy love)Only puppy love (only puppy love)
Puppy love (puppy love)
I thought that my
Love for you was really true
But it was only puppy love
(Only puppy love)
Only puppy love (only puppy love)Remember when you held me
Tight in your arms
You told me I was
Your good luck charmI answered back
You're my number one man
The one who really loves you
Said it againNow where's my love
What has it become
Instead of hearing bells
I hear drumsWell, I thought it was love
(Thought it was love)
'Cause my heart went
Rocking and a reeling
Felt a tingle in my feet
But it was only puppy love
(Only puppy love)Only puppy love (only puppy love)
Puppy love (puppy love)Oh, well, now you feel so silly
When you find that it was really
Only puppy love (only puppy love)
Only puppy love (only puppy love)Remember when you held me
Tight in your arms
You told me I was
Your good luck charmI answered back
You're my number one man
The one who really loves you
Said it againNow where's my love

What has it become
Instead of hearing bells
I hear drumsWell, I thought it was love
(Thought it was love)
'Cause my heart went
Rocking and a reeling
Felt a tingle in my feetBut it was only puppy love
(Only puppy love)
Yes, it was only puppy love
(Only puppy love)
Oh, puppy love (puppy love)Oh, well, now you feel so silly
When you find that it was really
Only puppy love (only puppy love)
Only puppy love (only puppy love)
