

# Sign of Judgement

**Marianne Faithfull**

Yes, sign of judgement, yes  
Sign of judgement, yes  
Sign of judgement time ain't long Yes, sign of judgement, yes  
Sign of judgement, yes  
Sign of judgement time ain't long I don't like old satan  
None of his tempting charms  
Cheat you at your jesus now  
And roll you in his arms I said yes, sign of judgement, yes  
Sign of judgement, yes  
Sign of judgement time ain't long Yes, sign of judgement, yes  
Sign of judgement, yes  
Sign of judgement time ain't long I don't like old satan  
Nothing he say or do  
Tell one lie to hurt us all  
Then two to make it true Yes, sign of judgement, yes  
Sign of judgement, yes  
Sign of judgement time ain't long I said yes, the sign of judgement, yes  
Sign of judgement, yes  
Sign of judgement time ain't long Yes, sign of judgement, yes  
Sign of judgement, yes  
Sign of judgement time ain't long
