Jackie

Ringside

I don't think I'll ever get over this
No limousine is gonna take you away
I'm on my knees, babe
Halfway to Heaven
I can see his car in your driveway
Oh Jackie, you make it look so easy
Tell me, you're never gonna burn for this sometime
And how come a woman can make a man so crazy
'Cos I'm on fire tonight
Oh, you're gonna wake up
And feel so much older
Your sun drenched skin is fadin' fast
I'm alone when I look in the mirror
But I see you in the glass
I know, you'll be back in L.A. by tomorrow
You'll break him as quick as you broke me
Tonight I lay with the stars on Mullholland
Jackie, don't cry for me
