

The Grand Conjunction

Opeth

Majesty
Faithful me
Pour yourself
Into me
Wield your power
Martyr's price
Stare me down
To the ground
The eyes of the devil
Fixed on his sinners
Slake my thirst
Eternal wealth
Heathen key
'Round my neck
This poetry
Our blasphemy
Know the sounds
Of infamy
The hands of Satan
Assembling his flock
The pale horse rider
Searching the earth
Whispered conjuration
A belief takes form
Choking hand tapping
The veins in your throat
His orders in your mouth
A decree for domination
Beneath the tides of wisdom
Spins the undertow of hate
Injected seeds of vengeance
Usurper's eyes on the powerless
Clean path to his kingdom
Beaconing in the mist
The grand conjuration
Tell me why
Love subsides
In the light
Of your wish

Say my name
Ease the pain
Clear the smoke
In my head
