Stay

Eternal

Stay, stay, stay, stay
Stay, baby, stay, come on, darling now
Stay, you know I want you back
Stay with me tonight come on, won't you stay?
Stay, oh, stay, stay with me
It seems I have the strangest dream
I'm dreaming that you are gonna leave me
I wake up and I find it's true
What will I do without you?
I don't know, I don't know
Just what it takes to get to you
I don't know, I don't know
Baby, I'll be true if only you
Stay, baby, though I made you cry
Stay, baby, don't you say goodbye
Stay, baby, look me in my eye
Stay with me tonight
Come on, baby
Baby, though I made you cry
Stay, baby, don't you say goodbye
Stay, won't you stay?
They say that love will come and go
But your love's indispensable to me
I really wanna be with you
What are we gonna do, boy?
I don't know, I don't know
Just what it takes to get to you
I don't know, I don't know
Baby, I'll be true if only you
Stay, baby, though I make you cry
Stay, baby, don't you say goodbye
Stay, baby, look me in my eye
Stay with me tonight
Even though I told you lies
Stay, baby give me one more try
Stay, stay with me
Come on, baby
Won't you? Won't you?
Why don't you stay?

Why don't you stay?
Come on, come on, come on and stay
Come on, come on, come on and stay
Stay with me tonight
Oh, oh, oh, I want you to stay
Stay, baby, though I made you cry
Stay, baby, don't you say goodbye
Stay with me tonight, come on, baby
Make you cry, you don't have to say goodbye
Stay
