

Stronger (Emoticon)

Kristine W

My love [Repeat: x6]
My love is strongerMy love is stronger
My love is stronger
My love is
My love is
My love is stronger stronger
My love is
My love is
My love is stronger strongerIf you think you stand alone
You've got a lot to learn
Because as long as there's one breath left in me
You'll always have someone to turn toYou're looking through that storm
There's a whirlwind in your mind
When you need a little shelter
You can run to these arms of mine[Chorus]
My love is stronger than your pain
Stronger than your fear
Sweet enough to wash the salt from your tears
Deeper than the waves that break against your heart
You can't go on any longer
My love is strongerMy love is
My love is
My love is strongerLike a tiny fragile flower
Is gently nourished by the sun
Your love somehow empowers me
To do things I have never doneTo break through all these chains
All of my doubts and uncertainties
When your weakest hour falls around you
You can find your strength in me[Chorus: x2]My love is
My love is
My love is stronger stronger
My love is stronger
My love is
My love is
My love is stronger stronger
Now, stronger than your tearsStronger than your pain
Stronger than your fears
(Oh, I'm stronger than your pain now)
Sweet enough to wash

Stronger than your pain[Chorus: x3]My love [Repeat: x6]
My love is stronger
