Stab Your Back

The Damned

Stab your back
Stab your back
Stab your back
Stab your back
Stab your back
Stab your back
Stab your back
Stab your back

Well you used to hang around on the rails yeah
You know that was your patch
But there's a brand new kid in town
Never gonna let you gonna live it down
He's gonna

Stab your back
Stab your back
Stab your back
Stab your back
Stab your back
Stab your back
Stab your back
Stab your back

Well I'm gonna stab your back
You ain't nothing but a dead hag
Now that you're 25
Never gonna live 'till you're 29
I'm gonna

Stab your back
Stab your back
Stab your back
Stab your back
Stab your back
Stab your back
Stab your back
Stab your back
