## Both Ends

I worked hard all my life for my weekly paycheck; I worked hard all my life for my pay.  
I worked so hard every week to ensure that paycheck; I worked hard to support my family.  
I gave my all every day to secure that paycheck; I gave my all to the Boss who signed my pay.  
I gave my all every day to feel pride in that paycheck; I gave my all to support my family.

Yet the taxman believes he deserves a slice of my pay.  
He taxes every single dollar I work for; when I spend it he taxes me again,  
He even taxes the house that I live in; heâ€™s taxing me at both ends.

I worked so hard every week for that paycheck; I worked so hard to earn my pay,  
I worked so hard to deserve every cent of my paycheck; I worked so hard to support my family,  
I toiled I sweat I sacrificed for that Paycheck, Iâ€™ve earned some scars while I worked for my pay,  
I took abuse and misuse while I conformed for that paycheck, for the right to support my family.

Yet the taxman believes he deserves a slab of my pay.  
He taxes every single dollar I work for; when I spend it he taxes me again,  
He even taxes the house that I live in; Heâ€™s taxing me at both ends.

Iâ€™m just another victim of Government greed,  
A squandering Government, always in need.
