

# Obscene (Kele Okereke Remix)

## Bloc Party

If you must ask you were in my heart always.  
If I did not comfort you or say the right things  
You were here every time I looked within  
I don't know where I've been  
All I really know is this seems obscene  
Forgive me for what you've seen  
All I really know is I've been obscene to you  
I wish you luck Every breath was for you,  
Even though you won't believe me  
And as I walk away tears flow in my eyes  
We both know that this love was never right  
I don't know where I've been  
But all I really know is this seems obscene  
Forgive me for what you've seen  
All I really know is I've been obscene to you  
I wish you luck, I wish you luck
