

# Goodbye

G.E.M.

You might think that I am radical  
But I can't go around pretending life is fine  
No no  
Don't even miss when love was magical, no  
So please don't bother buy me flowers when you're gone  
Gone, gone, gone, goneBaby goodbye, baby farewell  
I don't wanna lie  
'Cause we can't stay together  
My friend  
This is the end, the picture is drawn  
You're not even on  
Because you're gone  
Gone, gone, gone, hey! I've never been the calm an' quiet one  
When people say that I am off the leash  
I've not even begun, 'gun, 'gunBaby goodbye, baby farewell  
I don't wanna lie  
Coz we can't stay together  
My friend  
This is the end, the picture is drawn  
You're not even on  
Because you're gone  
Gone, goneI don't wanna see  
I don't wanna know  
I don't wanna hear  
If you are alone  
I'm feeling so free  
Now that you're gone  
Gone, goneBaby goodbye, baby farewell  
I don't wanna lie  
'Cause we can't stay together  
My friend  
This is the end, that picture is drawn  
You're not even on  
Because you're gone  
Gone, goneBaby goodbye, baby farewell  
I don't wanna lie  
'Cause we can't stay together  
My friend  
This is the end, the picture is drawn

You're not even on  
Baby goodbye, baby farewell  
I don't wanna lie  
'Cause we can't stay together  
My friend  
This is the end, the picture is drawn  
You're not even on  
Because you're gone, gone, gone  
Baby goodbye!
