

Set Me Free

Pat McGee Band

Times are changing
Life rearranging
We've seen the falls
 Nobody told us
 That love would make us
I can't believe that's all You better
 Come up and save me
 From this
Love that escapes me in your eyes
 It will always send it back to
 Where I want, where I need
Set me free Your touch it brings me
 Where I want to be
 Don't let me fall
 Nobody told us
 That love could break us
 Now I see it all
 And it's the last time
 I'm begging for some
Some kind of love I would, say that
 I've never been perfect
 You know I won't let you
 Fall down
This time I'm coming in after
 I'm coming in after
 And you know I will find you
