

# Fun

## Joe Walsh

I'm gonna have my own private party  
Gonna invite everyone I know  
We'll all have our own personal celebration  
I'm gonna send out invitations  
To all my friends -- your friends -- and their friends too  
We'll all go on a permanent paid vacation  
Wouldn't that be fun?  
Fun  
And if anyone asks you I like having fun  
Fun

I like having fun  
Here we go now  
Well if I was king I'd sign a proclamation  
And if I was president I'd pass a law  
And I'd call for a full-blown Senate investigation  
Of everyone who wasn't having fun  
Fun  
If something ain't fun why do it?  
I'd rather have fun  
That's all there is to it
