## Wild One

## **Thin Lizzy**

Wild one won't you please come home You've been away too long, will you? We need you home, we need you near

Come back wild one will you? How can we live without your love

You know that could kill you

How can we carry on

When you are gone my wild one? Oh, sure you are a wild one

Oh, you are a wild one

Over and over and overSo you go your way

Wild one, I'll try and follow

And if you change your mind

I will be waiting here for you tomorrowFor I would beg for you

I would steal and I would borrow

I'd do anything at all, anything at all

To end this sorrowMy wild one

Oh, you are a wild one

Does Johnny go to [Incomprehensible]

Johnny go to [Incomprehensible]

There was no hopeWild one

The gypsies warned of the danger

You can laugh and joke with friends

But don't you ever talk to strangersAlthough their offers may be sweet

And I'd bet and I would wager

Away you'll stray and never come back

To those who love and madeDoes Johnny go to [Incomprehensible]

Hey, you three [Incomprehensible]

[Incomprehensible]
