

# All The Days

## Fm Static

This is the last day of our freshmen summer  
Text books and essays wait around the corner  
Saying goodbye now to our best friends  
We'll try if we can to get home on the weekends  
I gotta run now go home and take a shower  
We all can meet up at your house in half an hour  
I can't get ready any faster we better make it quarter after  
Runnin' through the high school hallways  
This is all we've known until now  
And I don't ever wanna slow down  
I'm packed, and I'm ready to go now  
Now we'll all meet up and go our own ways  
Probably won't see each other the same ways  
But no matter what happens we'll never  
Forget all the times we've had together  
Runnin' through the high school hallways  
This is all we've known until now  
And I don't ever wanna slow down  
I'm packed, and I'm ready to go now  
All the days we've been traveling together  
I won't even look over my shoulder  
Till I find a cure for getting older  
Runnin' through the high school hallways  
This is all we've known until now  
And I don't ever wanna slow down  
I'm packed, and I'm ready to go now  
All the days we've been traveling together  
I won't even look over my shoulder  
Till I find a cure for getting older
