

Jenny's A Fat Bitch

Twiztid

[Jenny]Trust me girl, every time the T comes to Anaconda,
Montana

They be hookin' up with a bitch

Aight, Last time I was on the tour bus, they treated
me like straight up lunch meat in a twiztid sandwich

I never had my box rocked like that before.

Let me tell you something, they put it down

Oh I know all these people, hold on, lets go up to the bus...

[Security]Hey bitch, you gotta go!

[Jenny]What? No, I'm here to see Jamie and Paul...

[Security]You cant be standing here.

[Jenny]they said tha....

[Security]I don't give a fuck what they said, You gotta go...

[Jenny]Well fuck you then...

[Security]No, fuck you and that fat bitch you're with...

[Jenny]Fuck this, girl let's go..I'ma go try and find a man
