

# When It Was Good

## Flipsyde

You used to call me  
Just to say I love you baby  
You would always treat me like a lady  
Everyone was jealous of the way  
We kept keeping on feelings were so strong Always knew that I would occupy your mind  
You could always find a little more time  
To show me I was number one  
Sitting there on my throne  
Lately where's the feeling gone CHORUS: When it was good  
We were sitting on top of the world  
When it was good  
No I never wanted nobody else  
When it was right not like tonight  
We were sitting on top of the world When it was good  
No we didn't have a cent to our name  
When it was good  
We were happy in the pouring rain  
I wish it would be that good  
When we were sitting on top of the world That picture of everything I ever dreamed  
Now the pictures crashing down around on me  
Calls are coming in and were looking at our friends  
Wondering who's it gonna be  
It was so good once upon a time  
It was a simple time, it was a good time  
Now we got the perks and all the crime  
And it's tearing us apart at the seams  
But I remember CHORUS When it was good  
We were sitting on top of the world  
When it was good  
No I never wanted nobody else  
When it was right not like tonight  
We were sitting on top of the world When it was good  
No we didn't have a cent to our name  
When it was good  
We were happy in the pouring rain  
I wish it would be that good  
When we were sitting on top of the world Once upon a time it was real.  
Once upon a time I was thrilled, to get your call  
Then I could get you all

Then I could get your heart  
Now aint the same. Seem like now its a game  
Once was reckless but now its tame  
Once was real love and now its fake  
Who wouldve known this path wed take  
CHORUS  
When it was good  
We were sitting on top of the world  
When it was good  
No I never wanted nobody else  
When it was right not like tonight  
We were sitting on top of the world  
When it was good  
No we didnt have a cent to our name  
When it was good  
We were happy in the pouring rain  
I wish it would be that good  
When we were sitting on top of the world
