

Do the Damage

Noel Gallagher's High Flying Birds

A 1 2, A 1 2 3 4 There's gold in the city
But never quite enough now to pay the rent
You could've had it all but the pity
is everything you're gonna need is heaven sent Maybe the dream that we had is gone
The people round here are like a setting sun
They're picking you up
Then they're knocking me down
But they can't stop me from loving you Be my butterfly
Please don't flutter by
Well do the damage kid
If love's what it's all about
A soul that is jumping out
Well do the damage kid Like a stone I was falling
Will any body come and get me out of here
I waited in the rain for the calling
Will any body come and get me out of here Maybe the dream that we had is gone
The people round here are like a setting sun
They're picking you up
Then they're knocking me down
But they can't stop me from loving you Be my butterfly
Please don't flutter by
Well do the damage kid
If love's what it's all about
A soul that is jumping out
Well do the damage kid Be my butterfly
Please don't flutter by
Well do the damage kid
If love's what it's all about
A soul that is jumping out
Well do the damage kid
