

# Love of the Loveless (OC Soundtrack)

## Eels

Don't got a lot of time  
Don't give a damn  
Don't tell me what to do  
I am the man  
If there's a god up there  
Something above  
God, shine your light down here  
Shine on the love  
Love of the loveless  
Love of the loveless Don't have too many friends  
Never felt at home  
Always been my own man  
Pretty much alone  
I know how to get through  
And when push comes to shove  
I got something that you need  
I got the love  
Love of the loveless  
Love of the loveless  
Love of the loveless  
For love of the loveless All around you people walking  
Empty hearts and voices talking  
Looking for and finding  
Nothing Don't got a lot of time  
Don't really care  
Not selling anything  
Buyer beware  
If there's a god up there  
Something above  
God, shine your light down here  
Shine on the love  
Love of the loveless  
Love of the loveless  
Love of the loveless  
For love of the loveless
