

Penetration

Pedro the Lion

Have you ever seen an idealist with grey hairs on his head
Or successful men that keep in touch with unsuccessful friends
You only think you did
I could have sworn I saw it too
But as it turns out
It was just a clever act for cigarettes 'Cause if it isn't making dollars
Then it isn't making sense
If you aren't moving units
Then you're not worth the expense
If you really want to make it
You had best remember this
If it isn't penetration
Then it isn't worth the kiss We're so sorry sir
But you did not quite make the cut this time
And we'd appreciate it if you cleared your stuff out by five
Don't take it personal
Everyone knows you did your best
If it makes it easier
You should look at it from our perspective 'Cause if it isn't making dollars
Then it isn't making sense
If you aren't moving units
Then you're not worth the expense
If you really want to make it
You had best remember this
If it isn't penetration
Then it isn't worth the kiss
