Don't Look Back

Lucie Silvas

My intuition tells me
That this relationship's not working
But we pretend we're better off not knowing
Only to realize we can't go onTried to tell you
But you didn't wanna listen to me
Say things we don't wanna admit to
But it's no good, 'cause it's time to walk awayI can't explain
My reasons anymore
The talking is over
And now I'm out the doorAnd if I don't look back
Then I won't see how much I hurt you
I really hurt you
And if I don't look back
It doesn't mean I didn't love you
I didn't love youPlease don't ask me
'Cause I can't take the way you're looking at me
Every time we touch, it makes me feel so guilty
And I can't do this anymoreI can't explain
I've said it all before
And I won't be persuaded
I'm half way out the doorAnd if I don't look back
Then I won't see how much I hurt you
I really hurt you
And if I don't look back
It doesn't mean I didn't love you
I didn't love youIt doesn't mean I didn't love you
It doesn't mean I didn't love you
It doesn't mean I didn't love you
It doesn't mean I didn't love youI can't explain
My reasons anymore
It's over, your heart's
Out of my handsAnd if I don't look back
Then I won't see how much I hurt you
I really hurt you
And if I don't look back
It doesn't mean I didn't love you
I didn't love youAnd if I don't look back
Then I won't see how much I hurt you
I really hurt you

And if I don't look back
It doesn't mean I didn't love you
I didn't love youAnd if I don't look back
Then I won't see how much I hurt you
I really hurt you
And if I don't look back
It doesn't mean I didn't love you
I didn't love youIf I don't look back
