

# You Can Get It All (feat. Johnta Austin)

## Bow Wow

Uh Uh Uh,  
Got me like. And when I think about you  
That's the first thing that come to my mind.  
I'm like Baby you can get it all,  
You can get it all  
You can get it  
And when I think about you  
That's the first thing that come to my mind.  
I'm like  
Shawtie you can get it all  
You can get it all  
You can get it I know you heard my reputation  
You don't think I would ever do right by you  
You think that if you and I was in a relationship  
I would never be true (be true)  
You think that anything I say is straight game  
And to me your just another new name  
But what I'm tryin' to tell you for every man  
There's a woman that'll make him change  
And I believe you the one that'll make me  
But any time I try to show you you shake me  
I know I make it real hard for you to take me serious  
But baby girl I am (I am)  
And I ain't stopping right here, I'ma keep going  
And I'm gonna make sure everyday tat you keep knowing  
Weather if I have to send you flowers  
Or talk to you on the celle-phone for few hours  
I'm yelling like And when I think about you  
That the first thing that come to my mind.  
I'm like Baby you can get it all,  
You can get it all  
You can get it  
And when I think about you  
That's the first thing that come to my mind.  
I'm like  
Shawtie you can get it all  
You can get it all  
You can get it (One, one, one, one)  
One minute you act like you like me

And then the next you don't  
You still sending me crazy emails  
Like I know it's just sex you want  
I can't lie the sex is truly incredible  
And every part of your body is so edible  
I get tears from just thinking bout it  
But that ain't the reason why I'm stuck and can't let you go  
We got a serious serious bond  
And when we kick it we have nothin but fun  
I feel a whole lot of L-O-V-E between you and me  
Even though we still young  
Just your company ain't got a get none  
Talk the same lingo, understand where I'm coming from  
And if anybody ask me a question about you  
I'ma tell em you the one  
You got me like And when I think about you  
That the first thing that come to my mind.  
I'm like Baby you can get it all,  
You can get it all  
You can get it  
And when I think about you  
That's the first thing that come to my mind.  
I'm like  
Shawtie you can get it all  
You can get it all  
You can get it As long as you know that  
I can have any girl I want to  
Baby that sexual ineffectual  
But still I choose you to be  
With me and were gonna  
So you better not break it up  
You got me like And when I think about you  
That the first thing that come to my mind.  
I'm like Baby you can get it all,  
You can get it all  
You can get it  
And when I think about you  
That's the first thing that come to my mind.  
I'm like  
Shawtie you can get it all  
You can get it all  
You can get it
