

# Animal

Kat DeLuna

Kat, tribal I'm a warrior princess out of control  
Eyes of an eagle, fly overhead, I see you comin'  
Lioness, ride out to hunt for my prize  
It's my ego that won't let me bow down Aye, aye, aye, aye, life is like a jungle  
Are you brave enough to walk in it?  
Aye, aye, aye, aye, aye, go around in circles  
Til you build your prow! Are you wild and dirty like an animal?  
Can you growl and scream like an animal?  
Baby, go, go, go like an animal  
Tear it up, make a mess like an animal Animal, animal, animal, animal  
Deep inside you is there an animal?  
Let it out, animal, be a beast of power Let me outta my cage, can't you see I'm untamed?  
I'm like a wildcat, I smell your fear, I see you runnin'  
Taste the heaviest poison, one kiss from my lips  
I'm pretty evil, savage beauty inside Aye, aye, aye, aye, aye, life is like a jungle  
Are you brave enough to walk in it?  
Aye, aye, aye, aye, aye, go around in circles  
Til you build your prow! Are you wild and dirty like an animal?  
Can you growl and scream like an animal?  
Baby, go, go, go like an animal  
Tear it up, make a mess like an animal Animal, animal, animal, animal  
Deep inside you is there an animal?  
Let it out, animal, be a beast of power Aye, aye, ayo, aye, aye, ayo  
Aye, aye, ayo, aye, aye, ayo  
Aye, aye, ayo, aye, aye, ayo  
Aye, aye, ayo, aye, aye, ayo Are you wild and dirty like an animal?  
Can you growl and scream like an animal?  
Baby, go, go, go like an animal  
Tear it up, make a mess like an animal Are you wild and dirty like an animal?  
Can you growl and scream like an animal?  
Baby, go, go, go like an animal  
Tear it up, make a mess like an animal  
Are you wild and dirty like an animal?
