

# Stand Tall

## Burton Cummings

Never been this blue  
Never knew the meaning of a heartache  
But then again, I never lost at love before  
Somewhere down the road  
Maybe all those years will find some meaning  
I just can't think about them now or live 'em out anymore  
Never lasted so long, no  
Through so much or through so many  
I just can't believe I could throw it all away  
Sometimes late at night  
When there's nothing here except my piano  
I'd almost give my hands to make you see my way  
Stand tall, don't you fall  
For God's sake don't go and do something foolish  
All you're feeling right now is silly human pride  
Oh, stand tall, don't you fall  
Don't do something you might regret later  
You're feelin' it like everyone, it's silly human pride  
Never lasted so long, no  
Through so much or through so many  
I just can't believe I could throw it all away  
Sometimes late at night  
When there's nothing here except my old piano  
I'd almost give my hands to make you see my way  
Stand tall, don't you fall  
For God's sake don't go do something foolish  
All you're feeling right now is silly human pride  
You've got me down on my knees for ya, mama  
Stand tall, don't you fall  
Don't do something you'll regret later  
A feelin' it like everyone, it's silly human pride  
You got me fallin for you again mama  
Stand tall, don't you fall  
You got me fallin' again for you lady  
You're feelin' it like everyone, it's silly human pride
